Columbia, MD 21046

Dear Mr. Coperich:

We have reviewed the Park Air letter dated October 9, 2000 and have completed the subject application with no objection to the certification of the Park Air VHF ground transceiver type T6MBS model number BT6MBS, FCC ID: C8LEBT6MBS.

If you require any additional information, please contact Ms. Annette Allender, Spectrum Planning and International Division, at (202) 267-3893.

Sincerely,

George K. Sakai  
Program Director for Spectrum  
Policy and Management
