Gentlemen:

The original request to the Applicant dated April 18, 2000 is near expiration.

The Applicant has authorized us to perform an MPE TEST and supply the report to you under the referenced EA file.

We have not yet received the equipment to do so, and since shipment from New Zealand will take some time, we respectfully request an extension of 30-60 days to meet this commitment.

Your early reply would be much appreciated.

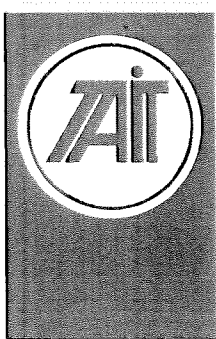

Sincerely yours,
