Dear Daniel,

Subject: **TCB Services (C2PC) on an External RF Amplifier(CASTMAB1Z)**

This Class 2 Permissive exercise reports minor changes to component values (matching capacitors) on the main board of the External RF Amplifier. The submitted report 2658 confirms continued compliance following changes to matching circuitry for improved thermal performance, and a change in Directional Coupler manufacturer (Component Obsolescence). An exhibit that shows the latest board layout compared with the previous layout is part of the submission package.

Enclosed are the hard copy documents required to initiate the Class 2 Permissive Change process for Quote No. EEE-Q26544TCB

- CSF-20-10 Anti Drug Abuse Certification
- Confidentiality Statement

The fee of USD\$1000 will be paid by Telegraphic transfer. Please invoice Tait Electronics immediately services have been provided.

I will upload the files that will be required by the FCC, to you.

Yours sincerely
