Dear Daniel,

Subject: **TCB Services (Class 2 Permissive Change) – FCC ID: CASTPAH6A**

Enclosed are the hard copy documents required to initiate the process, copies have been posted to you.

- CSF-20-01 Certification Agreement
- Drug Abuse and Agent Agreement

Scope:

We wish to:

1. Add a new Emission Designator **6K10F1D** (12.5kHz channel spacing) to the Grant of Authorisation for this transceiver, which will allow 9600 bps data to be transmitted using our Tait Similcast digital modulation scheme. Test Report 2610 is submitted as an exhibit for this.
2. Correct two existing FFSK Emission Designators on the Grant as they are incorrect.
 - 12.5kHz 4K80F2D becomes **6K60F2D**
 - 25.0kHz 8K40F2D becomes **9K60F2D**
3. Correct one existing Tait High Speed Data Emission Designator to bring it into line with other products using the same modulation scheme.
 - 12.5 kHz 7K80F1D becomes **7K70F1D**
 - 25.0 kHz 12K3F1D becomes **12K7F1D**

A revised Test Report 2066 (Rev2) showing full workings on page 5 and 6 is submitted as an exhibit for (2) & (3).

Our finance staff will fax a Purchase Order Number for this job, and your invoice will be paid by telegraphic transfer, and I will upload the files that will be required by the FCC, to you.

A handwritten signature in black ink, appearing to read 'Des Fox', is written over a horizontal line.
