

24 August 2017
FCC ID: CASTPDC0A
Model number TPDC0A

To Whom It May Concern

Subject: Compliance Statement for Blue Tooth EMC Performance of the TPDC0A Digital Portable (2400 – 2483.5 MHz Band)

- FCC 47 CFR Part 15 Subpart E - 15.247

Test Report **332950-1TRFWL** demonstrates full compliance of the EUT with testing against all relevant requirements of the test standards.

Exclusions: Power Output and Spurious Emissions only were tested.

For all other measurements, reference Test Report **215392-1TRFWL**

Test Report **215392-2TRFWL** demonstrates full compliance of the EUT with testing against all relevant requirements of the test standards.

Exclusions: None

EUT is a TPDC0A Digital portable (TP9300 / TP9400 Brand) fitted with an SMA type RF Connector to access the Blue Tooth output signal.

A handwritten signature in black ink, appearing to read "David Jackson".
