1516 Centre Circle Downers Grove  
Illinois 60515-1082  
United States of America

Dear Rick,

**Subject: TCB Services on a Land Mobile Portable TPDH7C (450-512MHz)**

As per Elite Quotation EE2100149-1 please carry out FCC (C2PC) to add a new battery model T03-00011-Exxx\* manufactured by Tait, to the existing Grant / Certification for our Digital Portable transceiver.

The new battery was tested with our portable according to SAR and EMC requirements and showed to be not the worst case, so no change on the actual Grant is required.

- FCC ID: CASTPDH7C

\*letters x denotes different regulatory approvals and or brand name.

A handwritten signature in purple ink, appearing to read "Brian Emmett".
