Equipment Approval Services, P.O. Box 358315
Pittsburgh, PA 15251-5315
Attention: Authorization & Evaluation Division

Model/FCC ID: CB2ACCTLHL4
Form 731 Confirmation # EA331808

To whom it may concern,

This is with reference to the Form 731 submitted for original equipment grant for a Johnson Controls Interior, LLC, and Universal Garage Door Opener product. The FCC ID for this product is CB2ACCTLHL4 and Form 731 confirmation is **EA331808**

We would like to bring it to your notice that while filling the Form 731 for above said Original Equipment authorization, typing mistake has occurred under Equipment Specifications.

Typed as

Line Entry	Lower Frequency	Upper Frequency	Rule Part
6	410	420	15.231

To be changed to,

6	410	434	15.231
---	-----	------------	--------

Kindly do the needful and oblige

Please do not hesitate to contact me with any questions you may have regarding this.

Sincerely,

A handwritten signature in blue ink that reads "Ravi Chandra" with a date "12-12" written below it.

Ravi Chandra
