

**EXHIBIT F: EQUIPMENT LABEL [2.925, 2.926, 2.1033(B2,7), 15.19(A3)]****LABEL EXAMPLE**

Refer to picture file "EXF\_label1.jpg"

The FCC Identifier assigned to the ANHL3 is FCC ID: CB2ANHL3. This number will be imprinted on the 1.0"x1.5" high temperature polyester matte white label.

The label will be placed on the exterior of the ANHL3 housing using an acrylic adhesive that will permanently affix the label.

Because of the small size of the device and because the installation is inside a portion of the automobile, the following statements will appear in the user's manual. Refer to Exhibit N for the entire text of the user's manual.

"This device complies with Part 15 of the FCC rules and with RSS-210 of the Industry Canada. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference that may be received including interference that may cause undesired operation.

WARNING: The transmitter has been tested and complies with FCC and Industry Canada rules. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the device."

Refer to Exhibit D for the exterior view of the housing showing the label location.
