Re: request for information for job number 298UC12

Digital Monitoring Products, Inc. has processed corrections to user manual submitted during certification process. The submitted manual was corrected replacing arbitrary distance reference "xx" with corrected distance reference of 20 cm in the RF exposure statement section. The corrected user manual has been submitted to your web site for processing. This letter addresses request for replacement of user manual exhibit submitted during certification process is replaced with the current version.

Please review information and update the FCC site with the corrected manual.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink that reads "Scot D. Rogers".

Scot Rogers
Rogers Labs, Inc.
