Re: dismissal of FCC ID: CCKPC0181

To Whom It May Concern:

Digital Monitoring Products requests dismissal of FCC ID:CCKPC0181

Digital Monitoring Product has decided to modify this design and change the transmitter and circuitry. The intent is to maintain use of the market name and current identifier. The modification will include the addition of another transmitter and associated circuitry. The modification will require the entire product be tested for compliance in accordance with regulations. We will process a new request for authorization as soon as testing and submittal documentation can be completed.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

Scot Rogers
