

Date of issue: 30th July, 2010

Equipment: Transmitter

Model # : AH2

To whom it may concern:

This is to clarify that the USB port assembled for the aforementioned equipment is only used for charging purposes and cannot be used for data exchange between a PC and the microphone.

And there is no intention to use this port for data exchange in future.

Sincerely,

A handwritten signature in blue ink, appearing to read "Don Albanese".

(Signed by: Don Albanese)
