Dear Sir/Madam,

Please direct your attention to an error in test report number FPT99052401 for the Fisher Price Infant-to-Toddler Monitor Model 71577, confirmation number EA94438 that appears on sheets 7, 43 and 44. The report should reference Part 15 Paragraph 15.249, not 15.247. A replacement PDF version of the report has been submitted as an exhibit (FPT99052401_a) that corrects the error. Please retain the replacement report for the application and note that Item 10 on FCC Form 731 should read: "Equipment will be operated under FCC Rule Part(s): 15.249."

Please accept my apology for any confusion that my error may have caused.

Sincerely,

Mike Mussler
