Timco Engineering, Inc.  
849 NW State Road 45  
P.O. Box 370  
Newberry, Florida 32669  
Re.: FCC Letter of Attestation  
FCC ID#: CCTL3182-07-M

To Whom It May Concern:

By this letter of attestation, Fisher-Price Inc. acknowledges that it will manufacture the Microphone Unit of product "L3182 Star Station Entertainment System" with all componentry and modifications determined necessary for Federal Communications Commission compliance, and affirms that these components and modifications will be installed in all production units before selling them in the marketplace.

The cited item "Microphone Shield" was tested and confirmed to NOT be necessary for Federal Communications Commission compliance, but was added for electrical quieting of the microphone's audio preamp. Fisher-Price Inc. would therefore request the right to eliminate the Microphone Shield as currently defined and implemented at anytime.

James A. Bishop Jr.  
Senior Manager – Electronic Engineering

A handwritten signature in blue ink, appearing to read "J. Bishop", located below the printed name and title.
