February 26, 2008

Dear Sir/Madam:

We hereby request a change in FCC ID for the product certified under FCC ID: EO95XEES. The product, which will be sold under new FCC ID: CDT5XEES, is electrically identical to the originally approved product. All technical documentation on file with the original application(s) remains applicable to the product.

GE shall manufacturer the module using identical components, schematics and PCB layouts as in the original filing. Therefore, GE shall ensure continued compliance of the product.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hugh Patrick'.

Hugh Patrick
Dir., Product Management
ANSI Metering
