

5815 (LEAD FREE) COVER LETTER

June, 24, 2008

To Whom It May Concern:

We are requesting a Class 2 Permissive Change (FCC & IC) for our 5815 Door / Window Security Transmitter. We Changed over to Lead Free Parts of the same value and some of Emissions have Changed from previously reported:

FREQ:	PREVIOUSLY REPORTED:	LEAD FREE:	LIMIT:
345	6683.4	4256.0	7292
690	94.5	79.4	792
1035	146.0	68.5	500
1380	76.6	398.6	500
1725	88.3	219.8	729
2070	144.7	591.6	729
2415	100.5	608.1	729
2760	102.6	451.3	500
3105	144.9	366.0	729
3450	188.4	419.8	729

All Emissions still meet FCC Part 15.231 and RSS 210 requirements.

There is no request for Confidentiality.

Please call if you have any questions.
