CFS8DLBLE50 FCC COVER LETTER

Date: 02/22/2018

To Whom It May Concern:

This letter is to inform you of our request for a new certification for our transceiver known as CFS8DLBLE50. The transceiver will operate under Part 15.247.

The transceiver operates utilizing Bluetooth Low Energy (BLE) technology and it thus considered a DTS device.

Regards,

Michael Antola
