3. Form 731
4. Antenna information
5. Bill of material (2x)
6. Circuit diagram (2x)
7. Block diagram
8. Interior photograph report

NOTE:

We would like to request for the 15.19 (a) (3) statement to go in the manual and on the shipping box. The dimension of the Booster is 60 x 100 x 15 mm, so there would room enough to place the warning label on the front of the product but this is not very practicable with respect to the visual design. There for the request is to put it the manual and on the shipping box.

Best regards,
N.V. Nederlandsche Apparatenfabriek "Nedap"
