Subject: Attestation of Similarity MACE READER MM QR and MACE READER MM

To whom it may concern,

Description : Reader for 120 kHz and 13.56 MHz cards and also NFC, QR and BT  
FCC ID : CGDMACER1  
FRN : 0007696149  
Brand : Nedap  
Manufacturer : N.V. Nederlandsche Apparatenfabriek "Nedap"  
Model : MACE READER MM and MACE READER MM QR  
Antennae : PCB Integrated inductive loop antenna

The device that was tested as mentioned in Reports 50050028 001 and 50050029 001 is a Reader for 120 kHz and 13.56 MHz cards and also NFC, QR (Barcode) and BT (Blue Tooth), Model: MACE READER MM QR.

Model: MACE READER MM is a device without QR.

For most of the measurements the worst case situation has been chosen being the MACE READER MM QR.

For reference also a spurious emission test has been performed from 30-1000 MHz, see reports 50050028 001 Appendix D and 50050029 001 Appendix D.

I hope this is acceptable and this Model: MACE READER MM can also be registered.

If you need additional information please let me know.

Best regards,  
N.V. Nederlandsche Apparatenfabriek "Nedap"

  
Jacques Hulshof
