Subject : Declaration that the SENSIT DATACOLLECTOR with FCC ID: CGDSENSDATA is marketed directly to companies and professionally installed

Dear Mrs. Bosley,

We, N.V. Nederlandsche Apparatenfabriek "Nedap", declare that the DATA COLLECTOR with FCC ID: CGDSENSDATA is marketed and sold through our US daughter company to the end user via business agreements. These companies will professionally install or have installed the device and they are given clear instructions on installation.

The "General Public" will not have access to remove the antenna of the DATA COLLECTOR.

Is it NOT marketed to the general public through shops or internet.

I hope this is a clear answer to Section 15.203 (c) of FCC Public Notice DA 00-705

Best regards,  
N.V. Nederlandsche Apparatenfabriek "Nedap"
