Subject : SENSIT IR is identical to SENSIT apart from the software and the enclosure  
FCC ID: CGDSENSNODE

Dear Mrs. Bosley,

We, N.V. Nederlandsche Apparatenfabriek "Nedap", declare that the SENSIT IR as mentioned in test report 14-Testreport\_Part15\_09092902.fcc02\_NEDAP\_SENSIT\_DATANODE.pdf is electronically the same as the SENSIT apart from the enclosure and the software.

The SENSIT IR has two holes in the cover of the enclosure for the infra red sensors. These holes are not provided in the SENSIT. See also attached pictures in Annex 1.

I thereby wish to request whether you can authorize us to apply the same FCC ID: CGDSENSNODE to both the SENSIT IR and the SENSIT.

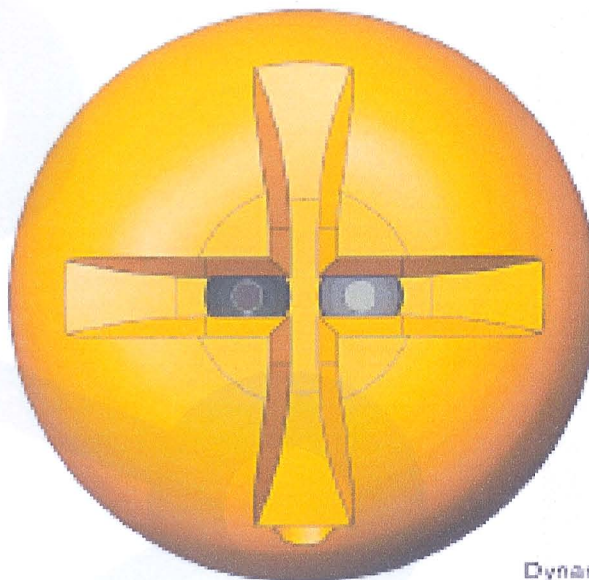

I hope you can honor our request

Best regards,  
N.V. Nederlandsche Apparatenfabriek "Nedap"
