These documents contain detailed system and equipment description and related information about the product which (Rhine Electronics Co Ltd) considers to be proprietary, confidential, and a custom design and, otherwise would not release to the general public.

Since this design is a basis from which future technological products will evolve, (Rhine Electronics Co Ltd) considers this information to be of benefit to its competitors, and that the disclosure of information in these documents would give competitors an unfair advantage in the market.

This request is being made retroactively due to an over site on our part. We understand that the information has been publicly available 180 days after date of grant.
