FCC ID Nameplate

A Nameplate of this type or one similar to this will be affixed to every Transceiver.

Regarding the placement of FCC ID Nameplate, see the below figure1.

For Units for which manufacture or final assembly is performed in the United States, the words MADE IN JAPAN may remain or may be changed to ASSEMBLED IN USA FROM JAPANESE COMPONENTS or a similar expression depending upon how much of the process is done in the United States and an analysis of the requirements of U.S. Customs Law under those circumstances. For Units for which manufacture or final assembly is performed in China, the words MADE IN JAPAN will be changed to MADE IN CHINA or ASSEMBLED IN CHINA.
