

Commercial Power of Attorney for the Registration of Wireless Devices equipped Notebook Computers

The company CETECOM GmbH, D-45219 Essen, Germany, has been contracted by

**Toshiba Europe GmbH
Hammfelddamm 8
41460 Neuss
Germany**

to obtain Type Approval for the following terminal equipment manufactured and released by Toshiba Europe GMBH, Hammfelddamm 8, 41460 Neuss, Germany

Product Description:

All Toshiba Notebooks which will carry Wireless LAN, and or Bluetooth devices.

The authorised person at CETECOM GmbH to handle the Type Approval processes may change depending on the assigned projects and therefore cannot be identified here by their name.

This appointment is valid for an unlimited timeframe, commencing with the date of this authorisation, provided, however, that Toshiba Europe GmbH may revoke this authorisation and appointment at any time upon written notice to CETECOM.
