## Re: Declaration for operation frequency range

To Whom It May Concern:

We, Toshiba Corporation, hereby declare that we do not provide any controls or s/w to allow operation outside the USA frequency band "2412-2462 MHz" when we sell the product in the USA for our product below.

FCC ID : CJ6UMET401WL  
Model No. : MET401

Sincerely,

K. Takenaka, Group Manager  
Quality Management Division  
Toshiba Corporation
