Hello Thu, Claire,

Review of this application is complete. Please reply to the following issues.

Q1: Please confirm that the host documented in this application does not include other transmitters requiring SAR and that should other transmitters requiring SAR evaluation be introduced into this host platform, that the grantee will perform appropriate evaluation and/or certification according to relevant FCC RF exposure procedures.

Q2: Please provide a confirming statement that the final host will be labeled per FCC DoC or Certification labeling requirements for personal computer devices.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.

Best regards,

Tim Dwyer

Importance: High

Tina,

My response to the TCB questions are as follows:

Q1. The only transmitters expected to be used in this host are the ones that have been evaluated with this filing

Q2. This UMPC device will be labeled with the FCC logo and the FCC ID applicable to this filing.

If any other information is required, please let me know.

Thanks

Peter

Should you have any further concerns, please let me know.

Thanks.

Regards,

Tina Chu
