Re: Change of Identification Authorization, FCC ID: PD97260NG

To Whom It May Concern:

This letter grants authorization for representatives of Toshiba Corporation to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules for the Intel® Wireless Network Adapter models 7260NGW, 7260NGW AN and 7260NGW BN granted under FCC ID: PD97260NG, original grant date 4/17/2013.

We are aware that Toshiba Corporation intends to apply for a new FCC ID under Toshiba Corporation's name as model 7260NGW, 7260NGW AN and 7260NGW BN, FCC ID: CJ6UPA5125WB.

The devices are electrically identical and only the applicant name and FCC ID number are different. The original test results are applicable and representative of this changed device.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven C. Hackett", written over a horizontal line.
