JSS-2500N/JSS-2500 RF Exposure Attestation

The JSS-2500N/JSS-2500 are designed to be fixed mounted with the radiating antenna located at a distance of more than 2.6 meters from the body of the user or nearby persons. This equipment is to be installed by a Japan Radio Co. Ltd service centre or agent. When installed in accordance with the Japan Radio Co., Ltd installation instructions, the JSS-2500N/JSS-2500 are considered to be physically secured at one location and is not able to be easily moved to another location. The JSS-2500N/JSS-2500 are therefore not mobile devices and is categorically excluded from routine environmental evaluation for RF exposure prior to equipment authorization or use."

Japan Radio Co., Ltd.

A handwritten signature in black ink that reads "Hideo Otsuki". The signature is written in a cursive style and is positioned above a horizontal line.
