This equipment has been tested in accordance with the requirements contained in the appropriate commission regulation. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or commission standards and demonstrate that the equipment complies with the appropriate standards. Each unit manufactured, imported or marketed, as defined in the commission's regulations, will conform to the sample(s) tested within the variations that can be expected due to quantity production and testing on a statistical basis. I further certify that the necessary measurements were made by JAPAN RADIO CO., Ltd, 1-1 SHIMORENJAKU, 5 CHOME, MITAKA SHI, TOKYO, JAPAN. I, the undersigned as senior engineer of JAPAN RADIO CO., LTD. TOKYO JAPAN, graduated from the YAMAGATA University and have been with this organization for the 14 years specializing the research and development of various type of marine radar equipments as well as assisting in their production.
