Part 24 Certification
Request for Confidentiality

Gentlemen :

In accordance with 0.459 of CFR 47, Hyundai Electronics Industries Co., Ltd. hereby requests confidentiality of the Block Diagrams attachment, Schematic Diagrams attachment, Operational Description attachment, and Parts List/Tune-Up Procedure attachment for the above-referenced Certification application.

These documents contain detailed system and equipment description and related information about the product which Hyundai Electronics Industries Co., Ltd. considers to be **proprietary, confidential**, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Hyundai Electronics Industries Co., Ltd. feels this information would be of benefit to its competitors, and that the **disclosure** of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely Yours,
