Request for Additional Info. : 03/14/2000

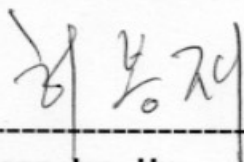

Dear Mr. Frank / Kwok:

Submitted herewith, is an amendment in response to your e-mail dated March 14,2000 requesting additional information for the subject application.

1. There is currently no belt-clip or body-holster available as an optional accessory for this phone. Should such an accessory become available in the future, we will perform the necessary tests and FCC application. Please note that the proposed body-worn SAR statement was inadvertently submitted stating an optional holster/belt-clip accessory.
2. Please find attached the users manual with final body-worn SAR compliance statement which will be placed in a prominent location at the front section of the users manual.

We trust this information is sufficient to issue the grant asap. If you have any further questions regarding this matter, please do not hesitate to contact us.

Sincerely Yours,

Mar 22, 2000
