Attn: Application Examiner

When we submitted Form 731 for this application, under item #10 in response to the statement "Equipment will be operated under FCC Rule Part(s):" we indicated:

47 CFR Part 95.1115

In looking at the Form 731 today, we noticed that the form has changed and shows several numbers that don't make any sense. Please correct the document and make sure it says that the Equipment will be operated under FCC Rule Part(s): 47 CFR Part 95.1115.
