

5150 220th Avenue SE
PO Box 7018
Issaquah, Washington 98027-7018
425-657-7200

August 19, 2003

To Whom It May Concern:

All modifications that were found necessary to comply with the FCC conducted and radiated emissions limits during testing will be implemented in the production-build of the 91341-09 Telemetry transmitters.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Roa". The signature is fluid and cursive, with the first name "Richard" and last name "Roa" clearly distinguishable.

Richard Roa, D.Sc.
Senior Director, Product Development
