Re: Request for confidentiality

Applicant: Williams Sound, LLC

FCC ID: CNMFMT55

Request is hereby submitted by Williams Sound, LLC to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics of Radio**
- **Operational Description**
- **Frequency Block diagram of each Radio**

Rationale for request for confidentiality:

Williams Sound, LLC has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology we developed.

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kelly Williams", is written over a horizontal line.

Kelly Williams,  
VP of Engineering  
Williams Sound, LLC
