

Personal PA Transmitter

Model #T35 Serial #A12351 Date 5/26/07

The device complies with Part 15 of the FCC Rules. Tests do not show it to cause interference. It may, however, be susceptible to interference. If you notice any interference, please discontinue use of this device.

FCC ID: CNMT35

Power Input 24 VAC, 50 - 60 Hz, 10 VA

Western Sound Corp. 8001 Francis Ave. #200

IC: 1360A-T35

Made in China

The T35 is not designed to accept 70 volt speaker wire. This may cause serious damage to the transmitter and will effectively null the five year product warranty.
