DC Power Budget for 2 GHz Field-Coder II Power Amplifier (FCII-MAX):

Stage	DC Voltage, V	DC Current, A
Pre-Driver	24	0.2
Driver	24	1.8
Output	24	3.0
Overall	24	5.0

Ali A. Sayyah
Senior RF Design Engineer
Broadcast Microwave Services Inc.
(858) 391-3050 x 147

Upon turning on the Field Coder II system, the unit requires no tuning.

A handwritten signature in black ink that reads 'D. Woodhead'. The signature is written in a cursive, flowing style.
