## Model Similarity Declaration Letter

To Whom It May Concern:

We, SpotterRF, LLC., declare that the family of models including GK300, GK350, GK400, GK450, and GK500 are electrically identical with the only difference between models being the displayed coverage area. The differences on these variants does not affect any product radio or EMC performance.

A handwritten signature in blue ink, appearing to read "Nathan Christensen".

Nathan Christensen

RF Engineer
