FCC Class II Permissive Change for FCC ID: CQOFD00430

This is to request a Class II permissive change for FCC ID: CQOFD00430, originally granted on January 12, 2018. The device is identical to the previously certified device except for the modification following:

- Ground has been strengthened.
- Terminal has been changed.

Except for the above modifications, there is no change of circuits, components, the external of the device and the structure are totally same with the original.

*Conclusion: The device is still in compliance with the part 15 rule, then a Class II application is required.

Sincerely Yours,

A handwritten signature in black ink, appearing to read 'Chang B. MA', is written over a horizontal line.
