Ref.: REQUEST FOR DISMISSAL - DENSO PS ELECTRONICS CORP. – FCC ID:
CQOFN00100 – CONF #: EA991308

FCC-

We did not realize we were on the EA site and received an EA# instead of a TC#.
Can you please dismiss this filing from the EA system so we can proceed with
filing as a TCB? Thanks so much and we apologize for this error.
If you need any other information fell free to contact us.

Best Regards,

Timco Engineering
