To Whom It May Concern:

It is requested that the following information is to be held confidential on behalf of Dynastream Innovations Inc.

FCC Rules Part 0.459 refers

Exhibit 4	block diagrams	1 file	1 page
Exhibit 5	schematics and layouts	3 files	1 page per file
Exhibit 9	internal photos	1 file	1 page
Exhibit 10	parts list	1 file	1 page
Exhibit 12	operational description	1 file	1 page

The importance of keeping these documents from public viewing is based on the fact that these documents contain proprietary information that could assist a competitive company in developing a variation of this product in a short time.

Dynastream Innovations Inc. has taken many security measures to prevent unauthorized viewing of items similar to the ones above. These measures include network access security, proper documentation disposal, and file transfer encryption methods.

Third parties that have had access to portions of Exhibit 5 in the past include, SignalCraft Technologies, and Nike Inc. None of the above exhibits have been disclosed to the public.

The above exhibits should be held confidential for no less than 10 calendar years.

Please contact Dynastream Innovations Inc. for any other questions or comments regarding the above request.
