Re: Acknowledgment of Part 90 Frequency Requirements

CW21100-5

Rothenbuhler Engineering Company Inc, attests that models granted approval under the FCC Grant for CW21100-5 will be programmed to operate only on frequencies authorized under Part 90.

In addition, Rothenbuhler Engineering Company Inc. acknowledges that FCC rules are violated if the models approved under CW21100-5 operate on unauthorized frequencies.

Sincerely,

Neal H. Rothenbuhler
President
