Transmission duration of ALPS transmitter – FCC ID CWTWB1U345

Dear Sirs,

on page 2 of this document you will find a plot of the transmission signal of the ALPS remote keyless entry transmitter, FCC ID CWTWB1U345.

When pressing one of the remote keyless entry buttons, the signal with the duration 102,3 ms will be repeated four times, means the total duration is 409,2 ms.

Best Regards

Torsten Lohoff

Transmitting signal ALPS remote keyless entry transmitter, FCC ID CWTWB1U345.
