10 May 2010

To whom it may concern:

This is to declare that the 28268ZT family of transmitters with Alps part numbers below has the same PCB—BP98E-52:

“TFWB1U821: 3 Button”  
“TFWB1U822: 4 Button (Trunk)”  
“TFWB1U828: 4 Button (Power Back Door)”

TFWB1U822 and TFWB1U828 has exactly the same electronics components. The difference is with the keypad graphics. TFWB1U821 differs from the other 2 part numbers with the number of tac tswitch and it's corresponding resistor.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Shinji Inoue'. The signature is stylized and cursive.

Shinji Inoue  
President  
Alps Electric (North America), Inc.
