Re: FCC ID:

Gentlemen:

The equipment meets the requirements of the FCC Rules, Part 90.203(e) and (g), as applicable.

Programming of this product's transmit frequencies can be performed only by the manufacturer or by service/ maintenance personal. The software or firmware required for this is under the control of the manufacturer and only his authorized representatives.

The operator cannot program transmit frequencies using the equipment's external operation controls.

A handwritten signature in blue ink that reads "James Hougo".

Sincerely,

James Hougo, President
