

Date: February 27, 2023

Federal Communications Commission
Authorization and Evaluation Division

FCC ID: DD4ADX3G57

Product: Digital Plug-on Transmitter

Model: ADX3 G57, ADX3 G57+

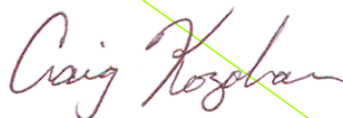

To Whom It May Concern:

G57+ band support 470 ~ 608 & 614 ~ 616 MHz

G57 band support 470 ~ 608 MHz

Different firmware, G57 remove 614 ~ 616 MHz band based on G57+, the others are same, including the hardware.

If you have any question or concerns, pls. contact us.
