D.7. RESULTS:

The radiated voltage level data are presented as follows:

- QLXD1 G50 Pages 127 – 133
- QLXD1 H50 Pages 134 – 140
- QLXD1 J50 Pages 141 – 147
- QLXD1 L50 Pages 148 – 154

The graphs following the tabular data for each transmitter show the FCC and Industry Canada emission limits as lines near the top of each graph. All emissions measured from QLXD1 were within the limits set in FCC Part 74.861 and RSS-123, Clause 5.5.1.
