Re: Certification for Lamson Transmitter  
Model(s):3302T,3303T  
FCC ID: DE4-3303T  
IC: 2998A-3303T

REQUEST FOR CONFIDENTIALITY

Pursuant to 47 CRF 0.459, Lamson requests that a part of the subject application be held confidential. This comprises Exhibits

- (5) Schematics
- (10) Parts List (Part of Exhibit only)

Lamson has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

If there are any questions regarding this request, please contact me at the above address or call 734-483-4211, fax 734-647-2106 or e-mail [liepa@umich.edu](mailto:liepa@umich.edu).

Sincerely,
