To Whom It May Concern:

In accordance with § 0.459 of CFR 47, 3Com Corporation requests confidentiality for the following items:

1. Block Diagram (Exhibit 4)
2. Schematic Diagrams (Exhibit 5)
3. Technical Description (Exhibit 12)

These items contain detailed system and equipment description and related information about the product which 3Com Corporation considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, 3Com Corporation also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
