## HyperLink 2.4 GHz 8 dBi Wireless LAN Round Patch Antenna

## Applications and Features

Applications:

Features:

- $\quad 2.4$ GHz ISM Band
- IEEE 802.11b and 802.11g Wireless LAN
- Bluetooth ${ }^{\circledR}$
- Public Wireless Hotspot
- WiFi
- Superior performance
- Compact size, looks like a smoke detector
- Durable UV-stable, UL flame rated radome
- Low loss solid brass element
- DC Short lightning protecting
- Cable can be hidden when mounting
- 10 inch coax lead
- Can be installed for either vertical or horizontal polarization
- Optional mounting brackets available

## Description

## Looks like a Smoke Detector!

This very compact round WiFi patch antenna provides 8 dBi gain with very broad coverage. It is suitable for both indoor and outdoor applications in the 2.4 GHz ISM band, including IEEE 802.11 b and 802.11g, Bluetooth ${ }^{\circledR}$ and public wireless hotspot applications. This antenna is lightweight and features an aesthetic UV-stable, UL flame rated white plastic radome which can also be painted to match the room or building structure. The HG2408P can be installed for horizontal or vertical polarization.

The HG2408P can be mounted flat against the wall or ceiling. Its unique design allows the cable to exit out of the side or from the back of the unit which is ideal for mounting in locations that require the cable to be hidden.

## Mounting Options

L-Com's patch antennas offer several unique mounting options. They can be mounted flat against a wall, or to a mast using a pair of 2 inch U-bolts. The antennas also accept most tilt-and-swivel security camera brackets equipped with standard 1/4-20 threads.

|  | Description | Part Number |
| :--- | :--- | :--- |
|  | Small Metal Tilt-and-Swivel Mounting Bracket for indoor wall mounting. Includes <br> wall-mounting hardware. | HGX-PMT02 |
|  | Medium Plastic Tilt-and-Swivel Mounting Bracket for indoor wall mounting. <br> Includes wall-mounting hardware. | HGX-PMT03 |
|  | Large Metal Tilt-and-Swivel Mounting Bracket for indoor and outdoor wall or mast <br> mounting. Includes wall-mounting hardware. Can be mast-mounted using U-Bolt <br> Kit (sold separately). | HGX-PMT04 |
