Filtrete™ SMART AIR FILTER

2200

Microparticle Performance Rating*

DO YOU KNOW WHAT'S IN YOUR AIR?

On average, we take 20,000 breaths a day. That's why it's important to choose the right air filter and help keep your home's air cleaner for you and your family.

HELP GET A CLEANER, FRESHER HOME

With Filtrete™ Brand Gold + Performance highest standards in air filtration with exclusive 3M technology.

FILTRETE™ SMART APP FEATURES

- Filter Life**: Track the life of your Filtrete™ Smart Air Filter based on air flow and usage - not just time.
- Filter Type & Size**: Access information regarding your specific filter type and size.
- Monitor Compatible**: Pair compatible indoor air quality monitors available in your area.
- Air Quality**: Devices sold separately. Monitor compatible indoor air quality monitors available in your area.
- Outdoor Air Quality Data**: See short and long term air quality trends.
- Tips & Alerts**: Sign up to receive helpful tips and alerts.
- Change Notifications**: Receive reminders where to purchase replacement filters.

Installation & Disposal

- Insert filter into the designated opening in your home's furnace, air conditioning system, or wall/ceiling return with the arrow on the frame pointing toward the units.
- Track and monitor the life of your filter with the Filtrete™ Smart App and replace when recommended.
- To reduce risk of injury, wear cut-resistant gloves. Prior to filter disposal, carefully separate the sensor from the filter according to removal instructions.

Dispose of the sensor promptly, in accordance with local electronics disposal guidelines.

Activate & Pair

- Download the Filtrete™ Smart App on your mobile phone and create account.
- Enable your phone's Bluetooth® setting, then follow the step-by-step instructions in the Filtrete™ Smart App to pair filter with your phone.
- Remove plastic packaging and paper insert from filter. Leaving cardboard frame intact. To reduce risk of injury, remove battery tab to activate the sensor by pulling tab up and away from metal wire.

CAUTION: Wire is sharp. To reduce risk of injury, keep your hands and fingers clear of the filter's metal wire.
