**Subject: Class II Permissive Change**

**FCC ID: DGFPSDHUB1CX**

**Attention:** Reviewing Engineering

Enclosed please find **FCC ID: DGFPSDHUB1CX** certification application for Class II Permissive Change for 3M Company Bluetooth and WiFi Module. The module has been certified on July 18<sup>th</sup>, 2019 under **FCC ID: DGFPSDHUB1CX**.

Class II PC is necessary to include module installation in the device which is used near body (<20cm). The module will be used with the same antenna type mounted on the device PCB. No other modifications are performed.

The changes don't have any impact on the previously approved radio parameters and BT/WiFi module with antenna is identical in design and construction to the originally approved.

If you have any questions or comments, please do not hesitate to contact me.

Sincerely,
